

15 Years Old – Adult

Our Officials are all volunteers. Most of them are not certified officials. They are giving their time to help out in doing something that most people do not like to do. We would ask that you treat our referees with respect at all times. Thank you.

1. Teams are made up of 4 person rosters. Once the first game is played, rosters can NOT be changed.
2. 20 Minutes or 20 Points, whichever comes first.
3. During the game if the offensive player feels he/she is fouled, he/she will **yell** foul and the referee will blow the whistle or stop play. If the referee agrees, he will administer the foul. If the referee disagrees, play is continued with a check in at the top and the referee will award the ball to the team he/she feels had possession.
4. If the defense commits 2 fouls during a single possession, the offensive team will be awarded 1 point. The ball then goes over to other team.
5. After a defensive rebound the ball must be taken back, past the three-point line (free throw line extended). No Free Backs. After a made basket, the ball must be checked at the top of the key.
6. Half court line is out of bounds. If the ball goes out of bounds, it should be entered with a check at the top of the key.
7. If a player is fouled on a made basket, one additional point will be added, along with the point for the made basket.
8. Referees will keep track of time and score.
9. Overtimes are three minutes – The 20 points no longer apply (no additional time-outs).
10. General basketball rules apply.
11. One pass must be made after checking of ball (player may dribble to enter 1st pass but may not attack the basket).

SUBSTITUTION

1. Substitutions occur after a made basket or a dead ball.
2. Before subbing indicate to the referee that a substitution is taking place. Unlimited substitutions.

TIMEOUTS

There will be ONE 60 second time-out given to each team to use

SCORING

Two point baskets will be worth one point

Three point baskets will be worth two points.

Intentional fouls are one point

Unsportsmanlike Conduct is one point (players or fans).

TIEBREAKERS

Head to head is first criteria.

If a three-way tie, the three teams will flip a coin and the odd team will sit while the other teams playoff. The tie breaker games will be played to ½ the normal score and time for that court. Then the winner of that game will play the coin flip winner. In the event of more than a three-way tie, the heads of the tournament will determine a fair tiebreaker.
